

Mastering OASIS-C and Demystifying Home Care Coding

Workshop Instructor

Sharon Molinari RN, HCS-D, COS-C, a home health veteran and consultant, is an approved Board of Medical Specialty Coding (BMSC) educator. She has earned credentials as Homecare Coding Specialist - Diagnosis (HCS-D) and Certificate for OASIS Specialist - Clinical (COS-C). Sharon is a member of the BMSC Home Care Advisory Board and author of the *Study Guide for HCS-D Certification Examinations*. She is also a contributor to various home care publications and authors continuing education programs for healthcare professionals.

Coding Certification

Improve your coding expertise and enhance your value as a professional coder. Master concepts and strategies that will enhance your critical thinking and coding skills while learning how to integrate the PPS rules into your coding practice. You will get hands-on practice coding common home care diagnoses and complex scenarios. Boost your coding accuracy and confidence, then...

Go for it!

Pursue your Home Care Specialist-Diagnosis certification (HCS-D) at this BMSC-approved workshop. Demonstrate your coding proficiency by taking this skills-based exam onsite or online, at a later date, and achieving your valued credential! (Recommended for Intermediate/Advanced Coders)

Registration for the HCS-D Exam

Separate registration for the **optional** HCS-D exam is required through BMSC. To register for the exam and to obtain the study resources go to: www.medicalspecialtycoding.com or call (800) 897-4509.
